Dear Howell School Community,

We hope everyone is enjoying a well-deserved, restful and relaxing summer. As our summer programs are up and running, we are also focusing on our 2021-2022 school year. We are pleased to announce that based on the latest guidance, the Howell Township Public Schools have determined that face coverings will be optional for the upcoming school year.

Please know your partnership throughout these challenging times has been greatly appreciated while we continue to work together to ensure that our post-pandemic world provides safe environments for all.

Be Well,
